

## **PRIVACY POLICY**

We are committed to protecting your privacy. Authorized employees within the company on a need to know basis only use any information collected from the individual customers.

We constantly review our systems and data to ensure the best possible service to our customers. We will not sell, share, or rent your personal information to any third party or use your email address for unsolicited mail or information. Any emails sent by the company will only be in connection with the provision of agreed products and services. All the data given by a member to BALTISEE LIMITED will be only used privately and not to be disclosed to any third parties.

BALTISEE LIMITED is not responsible or liable for any loss of data. Under no circumstances, BALTISEE LIMITED will disclose personal information of its user or send it to any third parties. Also, we send zero bytes of information regarding your profile (Secure Area), profits or purchased digital funds, to local fiscal authorities of your country even having official requests from them ( we can only do it if the user him or herself decides to provide such a disclosure). The only information that is displayed openly is platform live deposit statistics ( direct block chain link attached if investing via Bitcoin), which includes deposit time and date, amount, payment method and username of the investor.

The investor's real name or address is never shown publicly and never displayed on the website ( besides his own personal profile, aka. "Secure Area"). The investor is allowed to pick any username except for restricted or used ones. If you want to get the ultimate level of confidentiality, we recommend you use crypto currencies as the main payment method and trusted VPN provider for logging your personal account.
