

REFUND POLICY

Baltisee has implemented a transparent refund policy. In case you are not satisfied with our service level, you can request a refund.

If an account was funded via cryptocurrency or credit card, the funds can be refunded to your dashboard and you withdraw back to your wallet.

Please contact the Baltisee customer support in this case via any convenient method posted on our website or the official telegram support. Your request will be reviewed and replied in a timely manner. After reviewing the request, please note that any violations of the Baltisee customer agreement or partner agreement or any legal regulations cannot be subject to refund a request. The same applies to any profits or losses received as a result of your trading activity.

This policy can be modified or edited without prior notice.
